Mercedes C class Owners Manual. The Mercedes C-Class is a compact executive auto manufactured by Mercedes. Introduced in 1993 as a replacement for the 190 (W201) range, the C-Class was the smallest model in the marque's lineup until the arrival of the A-Class in 1997. The Mercedes-Benz S-Class, formerly known as Sonderklasse (German for "special class", abbreviated as "S-Klasse"), is a series of full-sized luxury flagship vehicles produced by the German automaker Mercedes-Benz, a division of German company Daimler AG. The S-Class designation for top-of-the-line Mercedes-Benz models was officially introduced in 1972 with the W116, and has remained in use ever ...INNOVATION. Every mountain range has its pinnacle. Every sport, its champion. Every breakthrough, its inventor. In the history of the automobile, one car makes history time and again, not just by raising the standard, but advancing it in ways you never imagined possible. DESIGN. Lower the roof of the S-Class Cabriolet and it raises the pinnacle of desire. With free-flowing style, refreshing luxuries, and a bounty of innovations, it leads a rich tradition of open-air motoring toward a breathtakingly beautiful future.
