FAQs on Thursday, March 23rd, 2017 at 2:46 PM. Have one of your dashboard warning lights turn on in your
Nissan can be frustrating, but if you aren't sure what the dashboard light means or what it's trying to tell you, it
can be downright scary.This car has been in my possession for a month now. My review so far is: Performance -
It certainly accelerates better than my corolla. Both of my cars are manual so you can understand my joy at
finding that this vehicle has almost no stalling between changing gears.Its braking however, is average ...
