

Download A Companion To Health And Medical Geography

Medical tourism refers to people traveling to a country other than their own to obtain medical treatment. In the past, this usually referred to those who traveled from less-developed countries to major medical centers in highly developed countries for treatment unavailable at home. Higher Education Products & Services. We're constantly creating and innovating more effective and affordable ways to learn. Explore our products and services, and discover how you can make learning possible for all students. INTRODUCTION. Thousands of Canadians are waiting for the phone call that will let them know they may have a chance to live longer with a new liver, to live better with a new kidney, or just to live— to live beyond the next weeks or months upon receiving a donated heart.
