Overcoming the Endless Misery of Capital. Retort [Iain Boal, T.J. Clark, Joseph Matthews, Michael Watts], *Afflicted Powers: Capital and Spectacle in a New Age of War* (London & New York: Verso, 2006). The 21st century is off to a bloody start. From terrorist violence to the carnage of US imperialism to assorted anti-occupation militancy (in Afghanistan, Iraq, Lebanon, Palestine and elsewhere ...For the Situationists 'spectacle' was a system of appearances so encompassing that often they regarded it with a despair equally absolute. The authors of *Afflicted Powers: Capital and Spectacle in a New Age of War*, whose ranks include a former member of the Situationist International, hold out more hope.
