

Download Bmw E60 Manual Transmission Fluid

BMW E60 models were equipped with a few different manual transmissions. Please see the table below. When servicing your fluid, check the label on the transmission that identifies the fluid your transmission requires. If you have any doubt, give our parts specialists a call. They can help you figure out which fluid is right for your transmission ...The manual and SMG transmissions are filled with manual transmission fluid, while the automatic is filled with ATF (automatic transmission fluid). BMW specifies "lifetime" fluid for all its transmissions and defines lifetime as 100,000 miles. Therefore, it is a good idea to service your fluid every 50,000 miles.Changing Manual Transmission & Differential Fluids: Easier Than You Think, More Important Than You Know. While all of us know the importance of regular engine oil changes – and the penalties of neglecting this common maintenance task – there are two other important fluid changes that we tend to ignore.Amazon.com: bmw manual transmission fluid. ...
