The Endeavour Residential Lift. If size is not an issue but the bank account and weight capacity is, then the Endeavour is the lift for you. The Endeavour has had a recent face lift to include the same cosmetic features as the Phoenix. For years people living in units or houses throughout the world have been depending on manual dumbwaiters to carry their household goods up and down from their ground level entrance. Although the manual dumbwaiter is not new, the need for them has increased as the high cost of land has begun the common trend of multi-level... Researching stair lifts?
