Caring for Patients from Different Cultures [Geri-Ann Galanti] on Amazon.com. *FREE* shipping on qualifying offers. Healthcare providers in the American medical system may find that patients from different cultures bring unfamiliar expectations. The trend in health care is to allow for more liberty in patient choices and involvement, as well as the ability to carry out their normal practices as much as possible. Sensitive cultural care is not just a phenomenon that takes place when occasionally encountering foreigners in the hospital or providing care to someone of a different religion.
