

Download Century 230 Amp Ac Welder Manual

The AC-225 Stick Welder is Lincoln Electric 's best selling arc welder of all time. The AC-225 produces an extremely smooth AC arc for welding a wide variety of materials including carbon, low alloy, and stainless steels as well as cast iron. Full range 40-225 amp selector switch quickly sets the welding current and ensures a uniform arc each and every time you weld. Product Names and Code Numbers can be found on the name plate of welders and wirefeeders. In order to ensure you have the correct Operator's Manual for your machine you must use a Code Number Search.
