The Indian Creek community is vast and diverse – One can travel world-wide and run into someone who loves ICS. This impressive network includes our incredible students, our many involved parents, our amazing faculty and staff, and our inspiring alumni families. Education in the United States is provided in public, private, and home schools.. State governments set overall educational standards, often mandate standardized tests for K–12 public school systems and supervise, usually through a board of regents, state colleges, and universities. The bulk of the \$1.3 trillion in funding comes from state and local governments, with federal funding ...Education in India is provided by public schools (controlled and funded by three levels: central, state and local) and private schools. Under various articles of the Indian Constitution, free and compulsory education is provided as a fundamental right to children between the ages of 6 and 14. The approximate ratio of public schools to private schools in India is 7:5.
