Daily Science Books & lessons Today's students have countless years of scientific knowledge, research and technology at their fingertips — the 21st century is an exciting time for science! Educating students in STEM-related fields with age-appropriate science books for kids is vitally important to their futures in a world that is ...As a busy homeschooling mom of multiple children, these Evan Moor Daily Science books are a lifesaver. We're technically following a chemistry course this year, but there isn't time for it daily. My kids love science, and so these books serve the purpose of exposing them to a little each day. We purchased Evan Moor science, geography, and 6-trait writing upon the recommendation of a few people to use for homeschooling 1st grade, and we are going to stay away from Evan Moor from now on. We only made it through 5 weeks of science before giving up. This article reviews Evan-Moor's Daily Science book for grade 1. An overview and a discussion of benefits, adaptations, and recommendations is included. This article reviews Evan-Moor's Daily Science book for grade 1.
