

Download Deco Delights Preserving Miami Beach Architecture

Field trips enrich your homeschooling experience. Our comprehensive list of Florida homeschool field trip venues is organized by county. There's nothing like a vacation to lift one's spirits, especially during the doldrums of winter. For many, jetting off to new and exciting locales is one of life's greatest pleasures—but it's important to complete some research before picking a destination for that next hard-earned vacation. Stacker explores some of the friendliest cities across the globe. These locales are waiting for visitors to bask in the sun, take in historic sites, and to shop and dine.
