Parts, Service & Repairs. Since every Rhodes player on the planet owns a piano that is more than 20 years old, chances are that you're going to need a new tine or pickup sooner or later. Service Manual. The 1979 Rhodes Service Manual covers repair and maintenance procedures for virtually all Rhodes piano models (including the ones produced in the 1980's). This site has from the beginning been dedicated to the original Chroma, not the Polaris. I don't own a Polaris; I've never even played one! However, with a lack of resources on the web and the obvious "family relationship," I've received a steady stream of questions and requests, and there are occasional Polaris-related posts to the ChromaTalk mailing list (see below for some highlights). The Fender Twin is a guitar amplifier made by Fender Musical Instruments Corporation. It was introduced in 1952, two years before Fender began selling Stratocaster electric guitars. The amps are known for their characteristically clean tone. The Twin has seen a number of revisions since its introduction, both internal and external, with its designs sometimes varying greatly from one year to the ...
