

# Download Firestone Air Ride Manual

Page 1: Installation Instructions 2581 riderite.com INSTALLATION INSTRUCTIONS 10-17... Page 2 For best ride, use only enough air pressure in the Air Springs to level the vehicle when viewed from the side (front to rear). This will vary, depending on the load, location of the load, condition of the existing suspension, and personal preference. Firestone air bag suspension kits eliminate sagging leaf springs and improve the ride of your truck. Call Truckspring at 1-800-358-4751 for Firestone. Convert your GM, Dodge, or Ford 1 ton cab chassis truck from Leaf springs to a true air ride suspension. Also available for F-450/550 and 4500/5500 trucks.
