

Download Girl Scout Journeys In A Day

Today, I plan to share a few secrets on planning with you. I have developed a journey in a day plan a couple times and I go through the process the same way. Once you break it down, it's easy to do. Promise! Step 1: Choose the journey. Let the girls guide you on which journey they want to earn. Every Girl Scout grade level has a Journey series to choose from, each including a sustainable Take Action project and all the exploration, discovery, and adventure to power a lifetime of leadership and success! while they visit with their fellow Girl Scouts and older girl mentors. The cost for the day is \$15.00 per girl and includes all craft supplies, take home activities, certificates & snacks. Girls may also order the Journey Patch set for \$5.00. Please note on order form if you would like patch sets below. During our Journey In-A-Day I came up with an agenda, their own "posters" and we began the day like a Girl Scout meeting would. But I wanted the new girls to get a chance to earn the flower garden journey as well.
