NEW! NEW! THE GREAT ZAPRUDER FILM HOAX Edited by James H. Fetzer, Ph.D. Perhaps no greater debate has raged in the history of the study of the death of JFK than over the authenticity of a 27-second home movie of the assassination, known as "the Zapruder film".

PHYSICS AND JFK ASSASSINATION: FINAL EVIDENCE OF A SECOND SNIPER BEHIND THE STOCKADE FENCE. Alberto Miatello Abstract This study is the first analyzing in a new and more accurate way the most important physical and ballistics features of the fatal shot after a photograph of the Zapruder film in Dealey Plaza, to the head of President Kennedy, which so far have almost totally been disregarded.

JFK assassination film hoax. The wound mistake. The Zapruder film seems to show the front of JFK's head being blasted open by a shot: Researchers like Stewart Galanor, who were lucky enough to see the film in the 1960s (at a private screening in the U.S. National Archives), believed that this proved that JFK was killed by a shot coming from in front of him and to his right (from the ...Step into Dealey Plaza, and you feel you are on sacred ground. No, it doesn't matter that you may be a hard-bitten believer in Oswald's sole guilt. It does not matter that you believe that the assassination was an historical fluke, with no particular larger significance.
