Step 1, Require the minimum amount of pages in a particular book. A good rule of thumb is a minimum of 20 pages per grade level. So a 6th grader must read a book of at least  $20 \times 6 = 120$  pages. Have them write the number of pages down on the book report. If they fail to write down the number of pages, find out yourself and deduct 5 points from the score. When you create a subtotal for the book report ...

Step 2, Give students 1 point for writing their first and last name on the paper. Students ...
