Graham 'Smithy' Smith reviews the used BMW 3-Series 2000-2005: its fine points, its flaws and what to watch for when buying it. The BMW 1 Series is not only a real BMW, it could be a real reason not to get a Benz A-Class or an Audi A3 Sportback. The 1 Series looks exactly how a BMW hatchback should. I know that sounds silly but what I mean is BMW could easily have designed something that was proportioned more like other ...Used vehicles that are imported from overseas.
