

Download Kindergarten End Of Year Report Card Comment

This collection of comments and phrases is perfect for end of the year report cards. Customize and tailor them as necessary to provide a fitting look back on the full year in the classroom. Appropriate for all grade levels. Again, a compliment is a nice touch any time of the year and for the end of the year report card, a best wishes for ____ grade or have a wonderful summer, or I'm so glad to have been _____'s teacher this year, and so on works well. Report card comments should aim to deliver feedback to students and parents that is personalized, detailed, and meaningful. Writing report card comments doesn't have to be stressful. Use these strategies to create livelier, more meaningful evaluations. This year Kindergarten is doing report cards in December, March and June, which puts them in alignment with the rest of our elementary schools. But since I retired and don't have to do that I only have comments saved for the middle of the year and the end of the year.
