The straightest path to good legal writing is to follow Bryan A. Garner's advice. And one of Garner's goals is to promote legal writing in plain English, i.e., doing away with legalese. I suspect that Garner and I differ quite a bit politically, but I like to think we agree that the ideal of ...What We Do. Created in 1973 as the first continuing legal education entity in the Commonwealth of Kentucky, UK/CLE's stated purpose is to assist the legal profession in: (1) keeping abreast of changes in the law resulting from statutory enactments, court decisions and administrative rulings; (2) developing and sustaining practical lawyering skills and; (3) maintaining a high degree of ...In this episode with Rick Horowitz, we talk about why lawyers are better at knowing the law than communicating the law. Rick shares a few tips and structural ideas for how to become better at legal writing and how to be strategic while doing so. This chapter is about the relations between the national legal system and the 'other'—especially from the creation of the modern nation state in the early nineteenth century and up to ...
