Smooth shifting manual gearbox. All parts are still available and ready for nationwide courier shipment to anywhere in RSA. The "W201" 190E is one of the last of the Brutalist era classic Mercedes. It is full of character and equipped with a torquey 2.6 Litre engine "Old school Merc's last forever and are VERY comfortable" Performance on this spec 190E is great, particularly on motorways. Ride quality is fabulous - very comfortable and very smooth, it soaks up bumps and is quieter than a lot of new cars, including my brother's 2007 Honda Accord.
