The original gamebooks were distinctive digest-sized black pamphlets (the so-called "little black books") produced by Game Designers' Workshop (GDW). The main rules were detailed in three such booklets, sold as a boxed set while the same format was used for early support material, such as the adventures, supplements and further books. Later supplements and updated versions of the main game ...On this page: RPGs in General My how and why of roleplaying. Hard SF RPGs Hard science fiction roleplaying games have been my main RPG interest for several years. Hârn Hârn, the game, is by far my favorite RPG system; Hârn, the setting, is one of the best commercial gaming worlds. Swordbearer My second love in fantasy RPGs, Swordbearer is hugely innovative but unfortunately obscure.
