

Download Pokemon Blue Version Strategy Guide

Pokémon Red Version and Pokémon Blue Version are role-playing video games developed by Game Freak and published by Nintendo for the Game Boy. They are the first installments of the Pokémon series. They were first released in Japan in 1996 as Pocket Monsters Red and Pocket Monsters Green, with the special edition Pocket Monsters Blue being released in Japan later that same year. Pokémon Gold and Silver are set in the region of Johto, situated to the west of the Kanto region from the previous Red and Blue games, and three years after the conclusion of the previous games. The design of Johto was inspired by Japan's Kansai and Tōkai regions, with many of the region's temples and more traditional Japanese aesthetics finding their way into Johto. So you've conquered all eight Gyms in the Kanto region and defeated the Elite Four to become the Pokémon League Champion, huh? Well, that hardly means you're finished with Pokémon: Let's Go, Pikachu! and Pokémon: Let's Go, Eevee! Intrepid explorers will find that there's still much to be done before your Pokémon adventure is truly complete, and this guide will help you plan what extra ...A point of reassurance: your rival will heal your Pokémon completely after this battle, so give it all you've got. This battle can be extremely difficult since your rival's choices tend to be rather misfortunate at times, so it means you're basically battling both Pokémon by yourself.
