

Download Practical Oncology Protocols

Practical Oncology Protocols is a quick reference for those trying to write complicated orders for those patients who need chemotherapy. It is intended to prevent errors and avoid recreating the wheel every time chemotherapy needs to be written. The NCCN Guidelines Panel for Cervical Cancer Screening endorses the following guidelines: For the prevention and early detection of cervical cancer: American Cancer Society, American Society for Colposcopy and Cervical Pathology, and American Society for Clinical Pathology screening guidelines for the prevention and early detection of cervical cancer. ASCO develops and publishes clinical practice guidelines, provisional clinical opinions (PCOs), and guideline endorsements, providing evidence-based recommendations to serve as a guide for doctors and outline appropriate methods of treatment and care. American Society of Clinical Oncology Clinical Practice Guideline on Uses of Serum Tumor Markers in Adult Males With Germ Cell Tumors June 7, 2010. American Society of Clinical Oncology/College of American Pathologists Guideline Recommendations for Immunohistochemical Testing of Estrogen and Progesterone Receptors in Breast Cancer April 19, 2010
