

Download Rule Of Law Word Searches Related To The Us Legal System

Start studying Unit 7: Rule of Law and the American Legal System. Learn vocabulary, terms, and more with flashcards, games, and other study tools. Before introducing the sources and processes involved in legal research, however, a few words must be said about the shape and peculiarities of the United States legal system. After all, it is the unique shape of our system that gives rise to the different sources of law. In that way, the phrase "the rule of law" can often refer to how we react to a political situation, rather than any specific legal rule. Which is not to say the rule of law behind the rule of law shouldn't remain a guiding principle of American jurisprudence, just that we could probably do a better job of following it, no matter who is in power. According to the philosophy of rule of law, the law of the land is supreme over the acts of the government as well as private persons and the relationship between the state and the individual are regulated by the law of the land. Rule of law signifies a legal-political regime to protect the rights of citizens from arbitrary and abusive use of ...
