

Download South Bend Metal Lathe Manual

As early as 1914, South Bend Lathe™ manufactured standard industry 9 inch lathes. In the early 20's, smaller lathes for students and apprentices were introduced, including a 9" Junior lathe, Catalog No. 22. View and Download South bend SB1001 owner's manual online. 8" X 18" VARIABLE SPEED LATHE. SB1001 Lathe pdf manual download. Also for: 8k sb1001. It is an excellent manual for South Bend or any other small shapers on the market (like Atlas). The manual includes sharpening, depth of cut, jigs and fixtures. Grizzly Industrial is proud to be the exclusive, worldwide distributor of South Bend Lathe parts. While South Bend Lathes and Grizzly Industrial are two separate business entities, we have partnered with South Bend Lathe Company to provide parts to South Bend customers based on our own successful parts operation.
