

Download Springfield Armory M1 Garand Rifle Owners Parts Manual Down

Springfield Armory Www M1 Garand Danish Variant 30-06 Cmp Rifle C&R Ok Sn# 5955659 .30-06 SpringfieldHe was, of course, referring to the M1 Garand, the primary shoulder arm of U.S. troops during World War II and beyond.In fact, the Garand continued to serve our GIs throughout the Korean War and was reenlisted as a sniper rifle in Vietnam.The War Department turned to Springfield Armory and its top designer, John C. Garand, to create the new battle rifle. Designated T20E2, the rifle was developed by Springfield Armory and ordered into production in mid-1945.A discussion of rewelded M1 and M14 receivers and their unsuitability for use
