Tammy Kushnir is the author of *Wedding Journals and Keepsake Gifts* (Quarry), and an Artist-on-Call for Stampington. Her work has been published in numerous Stampington magazines as well as *Card Trends* magazine. *The Elemental Journal*, by Tammy Kushnir, is about making little journals or sketchbooks from items that are normally considered trash. I was amazed at the variety of materials used and the beautiful creations that resulted. *The Elemental Journal: Composing Artful Expressions from Items Cast Aside* - Kindle edition by Tammy Kushnir. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading *The Elemental Journal: Composing Artful Expressions from Items Cast Aside*. *The Elemental Journal* by Tammy Kushnir is perfect for anyone who enjoys using pieces from nature, cast-off containers and scrapers of paper, plastic, and metal. Tammy Kushnir and several other artists feature their journals, big and small, created from scraps.
